Cruising News

A "Cruise in Company"

Hi Everybody, I am planning a world tour of the Lake over
Easter next year. This "cruise in company" will cover some of
the anchorages available to us in and around the Lake, and is
a chance for new members to cross the Lake with other boats.
The cruise is suitable for any boat with accommodation, and
will be staged for river/motor boats to take advantage of early
morning starts and flat waters.

There are minimum safety requirements that will have to be
met by all boats.

Please be aware that the Lake can be dangerous and we may
need to spend extra days in an anchorage if conditions are
not favorable.

I will run the cruise if enough people are interested, say a
minimum of 4 or 5 boats.

Any questions or to book your slot ring me on
0438 319908.
