GRYC Report

The trip to Tasmania

Brian & Janett Southcott and David & Jenny Smallacombe we set out for our overnight stop in Beaufort on Sunday 29th March; towing the club trailer, which was modified by Trever Kennewell and the club's Tuesday Working Group to now carrying six boats instead of previous four, we passed through Nhill, Victoria, we were sitting on 90km when a local police car travelling in the opposite direction turned about and followed us for about 10 minutes, worrying the heck out of us. He eventually passed to our relief and we proceeded on the otherwise uneventful trip to Melbourne. We arrived early (5pm) as planned at the wharf to board the overnight ferry "Spirit of Tasmania", here we caught up with John and Bob who were towing the trailer for Paul Sweetman, we noted that the "Spirit of Tasmania" was not yet in dock as it was doing a day trip and so we cooled our heels for a few hours eventually getting aboard and underway at about 10 pm.

On board we again met up with John and Bob and also Ron, Pam and Anthony Fraser, the overnight trip was smooth and uneventful. We disembarked at 7.30am Tuesday morning and then set out for our caravan park cabin at Risdon Hobart. At the park Anthony and folks were also resident.

Wednesday 1st April

We toured the wharf area and then the yacht clubs at Sandy Bay. At the Royal Hobart Yacht Club we talked to a chap who was about to sail a 2.4mR Paralympic class yacht and admired the vessel; we then found our way to the Derwent Yacht Club where the Nationals are to take place. Bob Schahinger (Adelaide Sailing Club) and others were emptying a transportable container of *hansa* 303's etc, these boats were well packed in bubble rap, someone had gone to a lot of work. We considered transporting our boats by container but the cost at \$450 each boat (\$2900) was not economical and we decided to transport them ourselves on the club trailer for \$1400. The last part of the day we went off to the West Point Casino for coffee then back to our cabin.

Thursday 2nd April

Towed the trailer to the Yacht club and with the help of John, Bob, Cyril, Ron David, Mandy, Trish, Paul, Jocelyn, Anthony and Andrew we unloaded and set up all the boats. Yvonne was commandeered by her family for this day. All boats, before they go racing, go through a technical check, this is carried out by two very qualified *hansa* officers, the sails on 2093 were found to be undersized (150 mm high instead of 175 mm minimum) and were rejected. Cyril and I found a Ship Chandler who had the right sized numbers but only in odd colors, we purchased black material and with the help of the Chandler using 300 mm high numbers we traced the outlines so these could be cut and affixed to the sail for the event. In the afternoon a trial race was conducted.

Good Friday 3rd April

Afternoon practice races conducted on a windward / leeward course; this course has no reaching leg and was used for the whole event. At the conclusion of this at about 6pm a barbecue and briefing was held, the briefing included instructions for everyone to insert the keel lock rods to prevent the keel (centre board) going coming out.

Saturday 4th April

On return from the first set of competitive races for the Liberty's and *hansa* 303 singles, three crews failed to lock their keels and were disqualified (DNF); this decision however was later reversed, much to the relief of Jocelyn who racing in a Liberty. Weather conditions on the day were light winds of about 6kt and sunny, racing closely fought amongst the competitors.

Sunday 5th April

Racing again conducted in light conditions and fine weather.

Easter Monday 6th April

A cold day with winds 20 kt plus, resulting in some wet and cold sailors.
